Join the employer of choice. We offer excellent benefits and an outstanding working environment.

SALARY RANGE	STATUS	OPENING DATE	CLOSING
$56,000 – $76,000	Hourly, Non-Exempt	Nov 10, 2026	Open Until Filled

ABOUT THE POSITION

Maintain and repair automotive and related equipment requiring a high degree of technical ability. Work independently through the intermediate phases of repair, exercising sound judgment in determining methods. This position requires personal tools and on-call status.

ESSENTIAL FUNCTIONS

- Perform routine and periodic servicing of firefighting apparatus, automotive and related equipment
- Make minor adjustments and repairs to vehicles and fire apparatus, including service in the field
- Operate fueling, lubricating, tire changing and related service tools and equipment
- Inspect vehicles for abnormal wear, leaking lines and hoses, and mechanical, structural or electrical defects; report defects to the supervisor
- Maintain vehicle service records per established procedures
- Maintain inventory and issuance of supplies such as oil, transmission fluid and light bulbs
- Keep the work and supply room area clean and safe
- Work cooperatively with the Lead Mechanic and all customers, delivering seamless customer service
- Maintain regular attendance, follow District rules and policies, and model DMFD's Mission, Vision and Values
- May serve on committees; perform other related duties as assigned

MINIMUM QUALIFICATIONS

- High school diploma or GED
- Minimum two (2) years' heavy diesel automotive maintenance experience
- CDL with tender or tanker endorsement (must be obtained within 90 days of hire if not held)
- Valid driver's license and acceptable driving record; may be required to pass an Arizona DOT physical
- Skilled in troubleshooting, equipment maintenance and operation monitoring

Preferred: Graduate of a recognized Automotive Service Training Center

ADDITIONAL REQUIREMENTS

- Basic set of hand tools, at employee's expense, on the first day of work
- Attend industry training and/or obtain at least one EVT / ASE certification annually
- On-call rotation weekends and holidays
- Personal vehicle use for District business requires personal insurance coverage

PHYSICAL DEMANDS

Heavy physical labor; lift and carry 50 pounds of static weight; walk or stand for extended periods; bend, stoop, reach, carry, crawl, climb, push and pull as needed.

HOW TO APPLY

Applications accepted beginning 11/10/2026. Include copies of all certifications.
